Experience the benefits of a thermostatically controlled shower at an attractive price. Finished in sparkling GROHE StarLight chrome, Grohtherm 800 benefits from GROHE TurboStat technology, ensuring luxurious showering at a constant temperature. The SafeStop button, set at 38 oC, prevents children from turning up the temperature, while the EcoButton allows you to reduce water usage.

The ergonomic handles offer you a good grip at all times, even with wet or soapy hands.

The Grohtherm 800 is available as an exposed shower thermostat or bath thermostat.
